The Columbia University Center for Bioethics Presents February Film Night:

The Choice is Yours

February 24, 2003
6:00pm — 7:30pm

Bard Hall Basement
60 Haven Avenue
(at 168th Street)
New York, NY 10032

The Choice is Yours is based on the life of Viktor Frankl, famed psychiatrist, Holocaust survivor and author of *Man's Search for Meaning*. The film, which was presented by representatives of the American Board of Internal Medicine, was made as part of their effort to foster discussion of professionalism and humanism among medical students. A short questionnaire and discussion followed.
