

## **Touch Me Courage, Not Softly: The Right to Say No to Experimental Protocol**

Linda Markell

13 December 2006

4:00 pm - 5:30 pm

Children's Hospital of New York-Presbyterian

Tower Conference Room 103

3959 Broadway [at 165th Street]

New York, NY 10032

Linda Markell, the author of *Little One Laugh*, *Little One Run*, (published by AuthorHouse), spoke about the medical journey that challenged her and her husband as the parents of their three-year young oldest child and only daughter, Kimberly Anne Markell, after her diagnosis of Stage IV Neuroblastoma, with a survival prognosis of nine to twelve months.
